If time allows **DRAW** your choice...

**Scenario 1:**

*You wake up and it's Monday morning and you only have \$50.00 in your bank account, and you realize that you're hungry. You walk to the fridge and it's empty. What do you do? Do you go to the grocery store and get food for the week or go through Chick-fil-A for breakfast?*

- Chick-fil-A go to page   2
- Groceries go to page   3

TOTAL

If time allows **DRAW** your choice...

## Scenario 2:

*If you choose Chick-fil-A, you get the #2 Chick-n-Minis Meal, and you can decide between getting a soda or getting water. If you get soda, the total will be \$6.00. If you get water with the meal and you save a dollar making the total \$5.00. Which one do you choose?*

- *Soda subtract 6.00 from your total then go to page \_4\_*
- *Water subtract 5.00 from your total and then go to \_4\_*

TOTAL

If time allows **DRAW** your choice...

### Scenario 3:

*You decide to go to the grocery store. While you are there you have to decide if you would rather have junk food or the basics. If you get the Junk food it will be \$8.00 and if you get the basics it will only be \$4.00. Which one will you choose?*

*-Basics subtract \$4.00 from your total and then go to page -4-*

*-Junk subtract \$5.00 from your total and then go to page -4-*

TOTAL

If time allows **DRAW** your choice...

### Scenario 4:

*You've eaten and now you have to decide what to do next. You usually go to work but, you're best friend called you and asked if you wanted to go to the mall. Do you go to the mall or work?*

*If you go to work proceed to page -5-*

*If you go to the mall proceed to page-8-*

TOTAL

If time allows **DRAW** your choice...

### Scenario 5:

*You go to work at Jcpenney. It is not the most fun in the world but you don't hate it. Your boss isn't there today. So do you decide to work hard or hardly work (do nothing)?*

*Work hard go to page -6-*

*Hardly work go to page -7-*

*TOTAL*

If time allows **DRAW** your choice...

**Scenario 6:**

*You decided to work hard and luckily you did because it turns out that the C.E.O. was doing an undercover boss episode so for your hard work he decided to give you raise on your paycheck and you made \$30.00 today.*

*Go to page -9-*

*TOTAL*

If time allows **DRAW** your choice...

**Scenario 7:**

*You decided to hardly work. Which stinks because the C.E.O. was on an episode of undercover boss and he wasn't impressed with your work but all of your other co-workers got a raise. Luckily, you still get paid \$15.00*

*Add \$15.00 to your total Go to page -9-*

*TOTAL*

If time allows **DRAW** your choice...

**Scenario 8:**

*You decided to go to the mall with your friend. You had a really good time but you spent the rest of your money for the week. You decide to go home. You have an odd feeling you are forgetting something.*

*Change your total to \$0.00 go to page -9-*

*TOTAL*

If time allows **DRAW** your choice...

### Scenario 9:

*You make it home and you check the mail...*

*You have to make a payment of \$60.00 for your house today...*

*You completely forgot do you have enough money to pay?*

*If you do you have won the game and you made it to the end perfectly!*

*If no, you made the wrong decisions and you have now put yourself in a bad situation.*

*Hopefully next month you can make a better choice.*

*End Balance*
