

Karen Akins

Biography

Karen Akins writes humorous, light science fiction for young adults and the young in spirit. When not writing or reading, she loves lightsaber dueling with her two sons and forcing her husband to watch BBC shows with her. Karen has been many things in her life: an archery instructor, drummer for the shortest-lived garage band in history, and a shockingly bad tic-tac-toe player. –from www.goodreads.com

Akins' book *Twist* was featured on the 2015 Arkansas Gems list. Arkansas Gems is an annual publication of the Arkansas Center for the Books. The annual project highlights new works about Arkansas or by authors from the natural state. –adapted from <http://www.library.arkansas.gov/>
