

Obert Skye

Biography

Obert Skye read his first book at age two. He wrote his first story at age four. And he was nearly trampled by a herd of water buffalo at age six. For a short time, he lived on the Isle of Skye in Scotland, where he spent time as a candy-taster. Several years ago, Obert Skye says, he discovered the existence of Foo. Publishing his story as a fictional series was not Obert's first choice. Nevertheless he is content that the "history" is being told.

Hobbies and other interests: Collecting old maps, water polo, and roller coasters.
